Explore the vicinity of Jelgava by means of public transportation!

How to get from Jelgava to the most beautiful locations of Jelgava Municipality and Ozolnieki Municipality if you do not have your private transport? Jelgava Regional Tourism Centre offers ideas for travel by means of public transportation. Here we have collected information on tourism sites that do not require prior booking of a visit, except as guided tours, in order to facilitate the planning of travel. Bus schedules may be different on weekdays and holidays; therefore, we invite you to follow the current information by clicking on the provided link.

Practical information:

- Start from Jelgava bus station (AO), at Pasta iela 26.
- Purchase of bus tickets at Jelgava bus station, from the bus driver or on the internet – www.1188.lv, www.mobilly.lv.
- Current information on bus routes, stops and timetables – www.1188.lv, as well as at Jelgava bus station, information phone +371 63022639.

Where to go?

Vilce Manor and Nature Park

A possibility to explore the manor building from outside, to take a walk through the spacious nature park. Barons trail begins from Vilce manor, leading to Vilce castle mound and viewing platform from which can be seen sandstone outcrops on the shore of River Rukūze. The foot bridge over the River Vilce will take you to the Hare Meadow, a well-equipped resting area with swings and a figure of a Hare which is suitable for sports activities. On weekdays from 8.00 until 17.00. You can enter the premises of the manor which have been adapted for the needs of school. Entry fee – EUR 1.50 for adults, EUR 1.00 for children. A guided tour should be booked in advance by calling 26351169.

Bus stop: “**Vilces pasts**” (distance to Vilce manor and entrance to the park – 450 metres)

Eleja Manor Park and Tea House

A possibility to explore Eleja Manor Park that from the viewpoint of dendrology and biological diversity can be valued as protected environmental “pearl” on the scale of Latvia and Europe. The Tea House that was renovated in 2015 is located in the northern part of the Park; it is included in the building ensemble of the manor and was built along with the castle in the beginning of the 19th century. The historical paths have also been renewed in the Park, a bridge has been built across the pond to the peninsula, and two interesting interactive sites have been created: sculpture “For Love” by sculptor Gļebs Panteļejevs, and the environmental object “Conversation”. The
